

KS Dance present 'Ave Maria' @ 'Move it'

Summer Term = Industry Preparation!

CONVENTION PERFORMANCES

Once again KS Dance took to the stage at the Move It ! dance convention in London. The dancers performed two pieces of original Choreography. A contemporary work 'Ave Maria' by Emma Briggs and 'Inception' a Neo Classical piece by Kate Simmons.

CHOREOGRAPHIC COMPETITION

Students had the opportunity to perform their choreography in a competition adjudicated by Paul Liburd MBE and Brenda Last OBE at the Brindley Theatre in Runcorn.

Dancing their work to a packed house of the colleges supporters it was a wonderful experience for our aspiring creative artists.

ALUMNI WORKSHOPS

KS Dance is incredibly proud of the diverse range of industry destinations our students achieve. In the summer term our Alumni return to deliver industry workshops to our students, passing on their knowledge, style and confidence. We get to celebrate their successful careers and inspire our next generation of dancers. This year we welcomed back **Becky Broatch** delivering a **Carnival productions workshop**, **Emily Carline** delivering **P&O repertoire** . Together with her partner **Brent Ward** they also instructed the students on lifts for **Jazz Double work**.

Mei Takahashi CICB finalist representing KS Dance and the UK

" Highly

experienced teachers use their specialist dance expertise to provide demanding and rigorous practical training."

OFSTED 2022

CICB Competition in Michigan USA

Five of our students have been selected to represent the UK in the esteemed classical competition in the USA. The competition is held every three years and we are delighted and proud that five of our dancers were selected from qualifying competition to take part. Our Artistic Director, Kate Simmons and our Deputy Head, Gillian Hurst have also been selected to travel with the British Team as coaches.

Kate Simmons Dance Competition Team

This year we introduced a competition team to represent Kate Simmons Dance in Festivals and Competitions in the Northwest.

They have already celebrated success scooping up 11 medals at Ignite Dance Festival. Perhaps one of these dancers will go on to represent us on the International stage like Melissa Hughes that started in our junior school and will dance in America this Summer representing the UK

Kate Simmons Dance Competition Team with coaches Amanda Didsbury and Natalie Maloney
